

# ThreeFold ministries

Ecclesiastes 4:12 "...a cord of three strands is not quickly broken."

ThreeFold Ministries provides the entire package for your next conference, retreat, or special event. Carol and Amy work together to create a teaching and worship experience that will inspire your group to a deeper, more intimate relationship with God. You can provide Carol and Amy with a theme for your event or you can choose from a list of their already established programs. In addition to teaching, music, and drama, Carol and Amy can provide breakout sessions on parenting, marriage, ministry, worship, and the study of God's Word.

Two popular themes:

## confident

Women are a precious gift from God to the world, but somewhere along the way we've lost our confidence. Explore when the first woman lost her confidence and how Christ came to restore it to all women. See biblical examples of women who had their confidence renewed through their interactions with Christ. Unlock the key to becoming confident in Christ and discover the results of living a life full of His confidence. Sessions can include: *Divine Confidence*; *Daily Confidence*; *Daring Confidence*.

## the journey

E.M. Bounds says, "The Christian life is a long obedience in the same direction." Along this journey, we encounter experiences and biblical truths that enhance and deepen our passage through life. Come along as we discover *Confidence for the Journey*, *Faith for the Journey*, and *Friends for the Journey*. Determine how to handle *Interruptions on the Journey*. Find insight from the lives of women who walked with Jesus and learn how to bring your life into alignment with God's plan and purpose for your personal journey.
